

MODULE 4 – WHERE ARE WE GOING?

LECTURE 3 - QUIZ

Please describe the following:

1. The WALL
2. “Unity of Effort”
3. The current status of forensics and technology
4. The current status of the Bureaucrat Detective

If you struggle with any of these, just go back and review the appropriate parts of the lecture. The purpose here is to keep something in your head that you can use and refer back to in the future, so you don't keep repeating the same stupid mistakes like we seemed wont to do in the past!! Enjoy.
